RECENT PATENTS GRANTED:

“1,2-Dithiolane Derivatives”

Mitchell Avery et.al.

US Patent 6,127,394 Issued: October 3, 2000.

“Enhanced Yield Of Podophyllotoxin From Natural Products Through In Situ Conversion Methods”
Camilo Canel; Franck E. Dayan; ; Rita M. Moraes; Charles L. Burandt;

US Patent 6,143,304 Issued: November 7, 2000.

The following **SPECIAL ANNOUNCEMENTS** are also listed:

- Dr. Walt Chambliss was elected Chair-Elect of Basic Sciences in the APRS section of APhA.
- Dr. Walt Chambliss has been invited to give a presentation at the 4th Annual Consumer and Diversified Products Conference that will be held during the annual Controlled Release Society Meeting in June 2001 in San Diego. The requested title for his presentation is “Dietary Supplements and Controlled Release”.
- Dr. Bruce Parks has been elected a Fellow of the American College of Clinical Pharmacy. Fellowship in the College recognizes and rewards the highest levels of excellence in the practice and science of Clinical Pharmacy. The awarding of Fellow status is the highest honor the College can bestow on its

members. Dr. Parks has helped establish, by example, to people both within and outside the College, the definition of ACCP Fellowship.

Please continue to send me important research and graduate information so that I might share it with your faculty colleagues. **THIS INFORMATION IS NOW BEING POSTED ON THE SCHOOL OF PHARMACY WEB PAGE!** Thank you.
