This organization shall be entitled "The Senate of the Faculty of the University of Mississippi" (the Senate).

ARTICLE II: PURPOSE OF THE SENATE

The Senate shall represent all actively employed faculty members of the University of Mississippi (excluding The University of Mississippi Medical Center), as defined by the University's Faculty Titles and Ranks Policy (2015) (the Faculty). The Senate shall be empowered to make recommendations to the Chancellor, Provost and Council of Academic Administrators on policies affecting the University and to advise on such matters as the Chancellor or Provost shall lay before it. It shall also keep the Faculty fully informed of its recommendations and report these recommendations at each meeting of the Faculty. The Chair of the Senate, or a representative, shall represent the Faculty as a voting member of the Council of Academic Administrators. The Chair and/or other members of the Senate as directed by the Senate shall be among the representatives of the Faculty at meetings of any administrative council or other such body established, or to be established, by the Chancellor or Provost to act as advisor in administering the affairs of the University. The Senate shall recommend Senate representation to Standing University Committees to the Chancellor.

ARTICLE III: ORGANIZATION

Section 1.

The Senate membership shall be limited to Faculty who qualify as Eligible Faculty defined as full-time, budget-listed, or Full-time equivalent (defined as those teaching 4-or-more courses per semester) Regular, Support, or Research Faculty of The University of Mississippi (excluding The University of Mississippi Medical Center) as defined in the Faculty Titles and Ranks Policy (2015).

The definition of Eligible Faculty does not include the following:

3. Artists/Writers in residence
4. Military Personnel Faculty
5. Assistant or associate deans, deans, assistant and associate Provosts, the Provost, assistant and associate vice chancellors, vice chancellors, the Chancellor, or those holding other administrative positions outside of the academic departments or the libraries.

Senators must have been members of the Faculty for the full academic year in which they are elected.

Section 2.

The membership quota of the Senate shall consist of a minimum of one Senator elected by each of the departments in the College of Liberal Arts, the School of

Accountancy, the School of Applied Sciences, the School of Business Administration, the School of Education, the School of Engineering, the School of Law, the School of Pharmacy, the School of Journalism and New Media, and the University Libraries. Additional Senate seats will be allocated based on deviations from the mean number of Faculty according to full-time equivalencies (FTE) of all departments. For the purpose of the Senate each full-time, budget listed Faculty member that does not hold an administrative position listed in Article III, Section 1(5) shall be counted as 1 FTE. Additional faculty members will be counted as follows: those teaching 4 or more courses per semester will be counted as 1 FTE, and those teaching fewer than 4 courses per semester will be counted as 1/3 FTE. Departments that are larger than or equal to one standard deviation above the mean will receive one extra Senate seat for each standard deviation above this mean. Departments shall have no more than 4 representatives.

Section 3.

The term of office for Senate seats shall be three years. At any given election, a senator who has served in the two previous consecutive terms or portions thereof shall be ineligible. Elections of new senators will happen on a rotating basis which will be based upon the cycle detailed in the Bylaws.

If a unit should gain or lose Senate seats based upon the formula outlined in Section 2, the Executive Committee will determine where in the Election Cycle this change will be reflected. If a unit should lose a seat during a cycle when no Senator from that unit is scheduled to step down, the choice of which Senator steps down will be left to the discretion of the unit.

The immediate Past Chair will serve as an ex-officio non-voting member of the Senate, independent of the number of previous consecutive terms served. Any senator with four unexcused absences during a Legislative Year (September through August) shall be removed from the Senate.

Section 4.

If a Senate seat becomes vacant for any reason, the term of that Senate seat shall be filled by a candidate elected from the same department. The alternate will be assigned to the same Senate committees as the Senator that is being replaced.

These individuals will serve as the Chair Elect, Vice-Chair Elect, and Secretary Elect until the first organizational meeting in September.

The organizational meeting of the new Senate shall be called by the Chair of the previous year during the first week of September. At this meeting, the Senate Standing Committees shall constitute themselves and each elect its own chair.
