Historical Note

The American Family Association Journal is published irregularly, although generally monthly; January is often omitted and November/December is published as one issue. It is published by the American Family Association of Tupelo, Mississippi. Donald Wildmon is the founder and Executive Editor. The American Family Association is a lobbying organization devoted to a conservative christian political and social ideology. The Department's subscription began in September 1990.

Scope and Content Note

Collection consists of American Family Association publications concerning homosexuality, conservative family values, the media, liberals, Bill Clinton, abortion, and other conservative religious interests from 1990-2005.

Access Restrictions

The American Family Association Collection is open for research.

Copyright Restrictions

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement.
