There are girls who wear an anchor,
There are girls who wear a key,
There are girls who wear the pearled crescent,
Jeweled kits and shields I see;
But the girls who fill my life with gladness ... 
Wear the diamond of dear KD!
Alpha Mu of Kappa Delta
University, Mississippi

Rear Little Rushee . . .

We congratulate you on your choice of Ole Miss as your University, based on traditions and atmosphere of over a hundred years. We feel sure that Ole Miss will become a part of you . . . just as it has become a part of us.

September is almost here and your high school days are over . . . but don't be sad . . . your freshman year will be one of the most memorable in all your life. Your college years will be filled with many wonderful experiences . . . football games . . . parties . . . laughter . . . homesickness . . . and . . . a few heartaches, too. The most pleasant of all experiences is the formation of deep, true, and lasting friendships that come from working and playing together and sharing these experiences with the group of girls who are much more than just friends. Girls who make long hours pass faster, and good times even better. All these things revolve around your life as a sorority girl.

We hope that when you make your decision . . . you will select the sorority that finds its way into your own heart.

On the pages that follow, we have attempted to give you a glimpse at all phases of our campus and sorority life by presenting Kappa Deltas who are active in each of these phases.

Again, we welcome each of you to Ole Miss, and we hope that you will make it your home. We are looking forward to seeing you in September.

Yours Sincerely,
KAPPA DELTA

THE PURPOSE OF THE SORORITY

The purpose of Kappa Delta Sorority is to promote true friendship among the college girls of our country by inculcating into their hearts and lives those principles of truth, of honor, of duty, without which there can be no true friendship.

THE OBJECT OF THE SORORITY...

The object of Kappa Delta Sorority is the formation and perpetuation of good fellowship, friendship, and sisterly love among its members; the encouragement of literature and education; the promotion of social interest; and the furtherance of charitable and benevolent purposes.

THE OPEN MOTTO OF THE SORORITY...

TA KALA DIOKOMEN: “Let us strive for that which is honorable, beautiful, and highest.”
Jimmie Files - offering you roses from the Kappa Deltas, invites you to come in and - LISTEN, LITTLE GIRL - -
... before you join a sorority. Listen for the little things, the untouchable things, the smiling-here's-my-hand things, KD sings for you. And perhaps you will soon feel inside you, what makes a KD girl.

She is the composite of every college woman... she majors in Psych or Soc or English or Math... she writes poetry, sings in the choir... makes props and paints scenery... debates heatedly on the Post-War world question... she wears saddle shoes and loafers, sweaters and pearls and ribbons in her hair... she wears net with sequins... swishy taffetas and earrings, plus sparkle... she dates fraternity men and independents... she writes to the boy back home... she still cherishes a Coke... she laughs often and cries a little... she despises alarm clocks... has a big time at midnight hash sessions, with or without food... she studies hard... she sets her own standards and follows them, but she changes them from time to time... she is idealistic and she's downright practical... she gets a tremendous kick out of life... she's genuinely 100% sorority minded... she's loyal, co-operative, fun.

She wears a diamond pin over her heart... her college life is a symphony... on her lips is a vow... in her heart the promise of a song.

if you listen, you will hear the melody.

A white rose, in its young bloom and health, expresses in its beauty, far better than words, the meaning of Kappa Delta. Its whiteness symbolizes goodness; its clean petals, my sisters. The gold of its center promises a treasure that is mine to hold. Outreaching leaves symbolize guiding hands and hearts to lead and teach. The flexibility of the rose, its ease in bending and swaying with the wind, and yet always remaining upright, reminds me again of the steadfastness which Kappa Delta possesses. Its stem is straight and grows upward toward the sun; do our sisters strive to reach heights unknown. Undaunted, the rose blooms again and again, and so do we, sisters of Kappa Delta.
There are more KD's. We would like to tell you about them, but you can meet them for yourself in September. Look for the KD's... you will know them by their friendly smiles... their sincerity... their diamond pin. They are anxiously awaiting you.

Sincerely yours,

JIMMIE FILES

Rush Chairman, 1959
I'm a KD

I'm a KD my hair is sea-weed,
And my eyes are made of leather
And they flit in rainy weather.
Cos all hemlock, I'm tough as
a pine knot.
I'm a wild and wooly KD from the
West. Bang! Bang!
(Repeat) I'm a sweet and drooly
KD from the South.
Hi, Ya'll.

K-A DOUBLE P-A

K-A double P-A, D-E-L-T-A spells
Kappa Delt, Kappa Delt.
Proud of all the KD blood that's
in me, in me.
Wish I had a pin so big it hid me,
hid me.
K-A double P-A, D-E-L-T-A you see.
We're the frat with the name,
And we're proud to bear the name,
Kappa Delt, that's me!

I LOVE THE PIN

I love the pin you let me wear,
I love the Greek that's written
there.
I love the white rose, purity's
sign.
I love the thoughts it brings to
mind.
I love the emerald and the pearl
I love the best pin in the world;
I love to wear it close to my
heart,
Foe I love you, my own KD.

I'D RATHER BE A KD GIRL

I'd rather be a KD girl
Than sit in the president's chair
I'd rather be a KD girl
Than Rockefeller's only heir.
We're the cutest girls you ever did see
If you don't believe just look at me!
I'd rather be a KD girl than a
Multi-multi-multi-multi-multi-multi-

ANGEL IN DISGUISE

When a KD goes out walkin'
With her one and only man
You can rest assured she'll do
The most conventional thing she can
She won't let him hold her hand
Cause he might not understand
That a KD is an angel in disguise.

Oh, Kappa Delt, KD
Oh, Kappa Delt, KD
Yes, a KD is an angel in disguise
Oh, they all agree from Sigma Chi
to SAE
That a KD is an angel in disguise.

A KD's BOY FRIEND

Oh, there once was a little boy
Who loved a little girl
More than any girl he ever loved
before.
Sooo he kissed her for his mama,
And he kissed her for his papa,
And the chaperon came to the door
He pulled a pistol from his pocket
and he swore that he would cock it,
and blow out his giddy, giddy brains
But the girlie says he mustn't
and the little boy he doesn't
Still the lovin' goes on just the same
Oh, the Chi O's aren't above it
and the Phi Mu's they all love it,
and the Zeta's have a finger in the
pie,
But the KD's are so haughty
That they think it very naughty
But you bet they do it on the sly.

HI-HO (A Round)

Hi-Ho, everybody knows
The diamond and the shield
And the olive green and white!
We are Kappa De-el-el-ta's!

Hi-Ho, etc.
