From the above statements you see
 I have taken the boys cotton. Settling
 with Jerry + Overton infill - Bob you
 will see has all drawn and
 after taking his Cotton bill owes
 you \$40.82 & he wanted some things
 & I thought it best to let him
 have them - I have been quite
 busy since I got here & have not
 had time to enquire into the
 business you desired - but will
 today & write you your own
