My dearest Mother,

I am getting along OK.
I sent you a cable gram
two days ago so you would
know I was alright as I have
been so busy that I have neg-
lected my writing for the
past few days.

I was up last night until
2 o'clock working out problems
for to-day so you can
see how busy we are. Can
enjoying this life for
every day is different
and every day is harder
than the one before.

Will have to make
this short and go to

get a few minutes instruction about
to-morrow's work.

Dont be worried when
you dont hear from me for
I will always let you know
if I am sick.

Give my love to Daddy
and to Lucia for an Rivera when
you write. Will write more
as soon as I can.

Your devoted son
B.
