My Dear Mother and father.

I received your letter Saturday stating that the case had been sent. I

have not yet gone to the Express office but will however, have it here by to night.

Can you send me my "Kodak"? There is a man here who loads the camera, and develops the films for just about what the East man company

Charges. Have you received
my letter asking for the
comic drawings that
were among the various
old things in my chest and
portfolio at home?

Please send them at once for
I must copy them by Saturday.

Last Saturday night

the Debes went serenading
after "guy" and were out until
after one o'clock. We got cab twice
after twelve and had promised
for next Saturday night.

A good evening's work certainly

Well. How is the river and Major
and the crops and Cousin Lillie
and every other thing after which
inquiries are to be made?

I will write again Wednesday
for I have a raging head-ache
and want to try to take a nap.

Give my love to Cousin Lillie.

From your loving son.

James Edwards.

Have just telephoned to Express
office. No call?)
