Piney Woods Aided By Profit From Cookbook

By MIRIAM MAY

A cookbook is not necessarily just a business tool. It can be a way to help a community in need. Such was the case with "The Way To A Man's Heart," a cookbook published by the Piney Woods Auxiliary of the American Heart Association.

The recipe calling for 1 lb. of boiled eggs, 1 cup of cooked rice, 1/2 cup of grated cheese, and a little garlic is an example of the many recipes included in the book. The book also shows how to make a meatloaf using 2 lbs. of ground beef, 1/2 cup of bread crumbs, and 1/2 cup of ketchup.

The proceeds from the sale of the cookbook will be used to support the American Heart Association's programs for heart disease and stroke prevention. The book can be purchased at local bookstores or by mail for $5.00 per copy plus $1.00 for postage and handling.

The author of the book is Geneva M. Morris, who has been a member of the Piney Woods Auxiliary for many years. She is a retired teacher and has been involved in many community service activities.

The book was compiled by 100 volunteers who spent many hours in the kitchen and the kitchen at home to create the recipes. They worked together to ensure that each recipe was perfect before it was submitted to the cookbook committee for approval.

The cookbook is available at the Piney Woods Auxiliary office at 123 Main Street, Piney Woods, GA. For more information, call (555) 123-4567.

Merry Christmas

Dear Friend of the Piney Woods School:

On the reverse side of this page is a reprint from a half page article in the August 27, 1970, Jackson Daily News.

Isn't it wonderful how evidence of Divine Guidance is revealed when we are least expecting it — how encouraging it is to read these good words of a gracious kindhearted gentle lady whose spirit is that of the old South.

You may not care to purchase "The Way to a Man's Heart", but you'll be happy to know that even a dollar bill or better still a one dollar check will enable us to develop our food service equipment and training toward making better trained cooks.

This time of the year marked by my birthday, November 21, (1884), Thanksgiving and Christmas is the one time of the year when we look forward to our friends sending the little school in the Piney Woods a picture of George Washington, Abraham Lincoln or Thomas Jefferson; some who can afford it, send a picture of Andrew Jackson.

In the joy of spraying a human orchard,

Laurence C. Jones
Piney Woods School
Piney Woods, Miss.

P.S. We will be especially happy for a gift of any size because the corn blight has destroyed the corn our boys labored under the hot summer sun to produce. Boxes of used clothing and shoes are very useful. If you ship by freight or express our address is: Piney Woods School, Jackson, Mississippi; by parcel post and mail, Piney Woods School, Piney Woods, Mississippi 39148.
