 - Consider the ramifications of creating a new Standing Committee (similar to the Academic Discipline Committee) to create continuity in the Grade Appeal Process
 - **Update on Repeating Course Policy**
 - Explore the impact of updating this policy to make it more consistent and potentially more lenient.
 - **Update on Forgiveness Policy**
 - The current policy is quite strict compared to similar universities and has a negative impact upon retention. Explore updating this policy to be more in keeping with similar universities.
 - **Academic Support**
 - **Update on Fall Academic Break Schedule**
 - It has been proposed that the University have both a “Fall Break” and a Thanksgiving Break. This would allow both the faculty and students the opportunity to recharge closer to the middle of the semester rather than only at the end of the semester as we do under our current structure. There is concern that students begin to lose focus well before we reach the current academic break and that by having an additional break earlier in the semester the University may forestall this problem.

- **University Services**
- **Governance**
 - Update on Ombudsman
- **Old Business**

In addition to the credits used for the first degree, the candidate for the second bachelor's degree must complete at least 30 semester hours in residence from the school or college recommending the degree, with a minimum 2.00 GPA for those courses.
