My dear Father,

Last night I was indeed a happy person to get your letter with one from Mother and a bunch of papers. (Baptist Records.) For a long time I had been looking for your letter; just think it was about 7 months since I saw you and this is only my second letter. But I realize that you are very busy and I will gladly let this pass if you will write many letters in the future to your son. Wish it was possible for you and I to go with Mr. Pendarf on the hunt to the Rockies. Dad you will have to excuse this short letter but I have just ~~been~~ gotten a sheet of paper and constructed ~~from~~ from one of the men to let you know that I had rec'd that fine
