Dear Dr. Silver:

I have your letter of April 14, with your kind invitation for us to present "SHILOH - Portrait of a Battle" at the University on April 28. I am not certain whether I can arrange my schedule to make the trip, but I have asked Park Historian Charles E. Shedd, Jr. to plan on taking the show to Oxford. I imagine Dawson Phelps would like to come along and if it is satisfactory with you I will invite him to accompany Mr. Shedd.

Your invitation for staying overnight is appreciated, but Mr. Shedd will have to be back at the park early next morning so I imagine he will want to return that night. We are happy to have this opportunity to show the slide lecture to the Claiborne Society, and I feel sure your members and guests will find it interesting.

Very truly yours,

Ira B. Lykes
Superintendent
