Jim

you missed the chance of
your life

you could have been the best thought
of negro in these United States if you
had refused to enroll when you found
you were not welcome

Instead you let yourself be used as a
tool for a gang of misinformed people
who could not stand to see an all
white school

you would have been welcome in a
number of schools in the North and had
a better chance for an education

lets all pray that the LORD will forgive
our President for what he did.
