149th I.A.

June 1st 1918.

My dear Mother,

I had a fine trip
to-day with Mr. Crummen
and we had a wonderful
good time. We had
planned for some
time to take a half
day off to gether
and at noon to
day we started out
and I have just
returned.

I feel fine after
spending a while
out in the world
away from the
sounds of the
guns. But we

see more Americans
than French now.
Soon we will
have a wonderful
army.

I hope soon to run
up on some ^{people} from
but those that came
over lately are still
in training and we
are on the front
so you see there
is not much chance
of meeting them;

Give my love to
all and let every
one send me a line;

Your devoted son
