Professor Charles F. Mullett
Department of History
University of Missouri
Columbia, Missouri

Dear Mr. Mullett:

If it is not too late, I would appreciate your adding John H. Moore, University of Mississippi, as commentator at the session on "The Writing of Lumber History."

Dean Elegen writes that there should be someone at the meeting ready and willing to start the ball rolling in regard to discussion and Moore is eminently qualified to do that. I had in mind from the start that he would do just that anyway, but putting him on the program will enable him to get expenses from the University.

I hope that it is not too late to do this, and if it necessitates a telephone call, I shall be glad to pay for it.

Sincerely,

James W. Silver
