My dearest Mother,

I am very well. Raining hard to-day, But
"Fair and Warmer" tomorrow. ("Probablement.")

I am on the jump these days but
I don't mind a little change of
climates now and then. Lt. Ennis
is back with us now so we have
a great bunch of Officers in the
battery. as follows

Capt Laurence B. Robbins.
1st Lt Fred W. Waters
1st Lt Callistus J. Ennis
1st Lt Fred G. Anderson
1st Lt Albert B. Adams
2nd Lt William J. Cronin.

By far the best set of Battery
officers in the regiment and
our Capt will probably be the
the next Major. I hope to have
some mail real soon for it certainly
is time. Almost two weeks since
I have rec'd any letters from the
states. Much love. your devoted son.
