No. 705 A. F. F.

Mrs. T. Adams

Claremont,  
Mississippi

Adams  
L. A. F. F.

Sept 28<sup>th</sup> 1918.

My dearest Mother,

Another week has almost passed and I am getting along the very finest kind. I am enjoying life these days because too I have hopes of being sent back to the front in the next week or ten days.

An out-fit here is going to ask that I be transferred to them and if the Col. here will

approve it which  
he has not been,  
doing then I will  
get it in O.K. I believe  
it is far the  
best to go back  
to the front if  
I get a chance.

A new drive  
is on and all along  
the line we are  
making it hot  
for our enemies.  
I hope we have  
a late and mild  
winter so that  
we will not  
have to ~~stop~~ stop  
the drives.

I received a  
fine bunch of  
papers from  
Mr. H. F. Waldburger  
yesterday. And I  
am enjoying  
them in my spare  
moments.

Remember, Mother,  
that I am all  
well and happy  
and am really  
learning many  
lessons of how  
to enjoy life, as  
a friend of  
mine here about  
37 years of age,

said to me, this  
morning, that  
he did not really  
know how to  
enjoy life until  
he came to France.  
We learn how  
to be content  
and satisfied.  
Much love to  
all the family.  
Your devoted son  
Boyce
