## MANUSCRIPT EDITORS ANNUAL REPORT, 1984-85

*Note:* Prior period's figures in parentheses.

During the period July 1, 1984 - June 30, 1985 I received 37 (22) articles and 0 (2) nuggets. I accepted 9 (3) articles, rejected 13 (8) and 15 (11) are under review or being revised. In addition 4 (4) revised manuscripts from prior periods were accepted.

The Fall 1984 issue and the Spring 1985 issues were published late, even though the printer received all material in good time. The delays in publication are a matter of considerable concern. These issues contained 10 articles and 9 nuggets. The flow of articles accepted and in process assures the publication of the next three volumes, but we are short of Nuggets. Potential contributors please note.

Heartfelt thanks are due all members of the Editorial Board for their prompt and conscientious reviews, and to Linda Kistler and Maureen Berry for their book reviews and doctoral dissertation reviews, respectively.

I would particularly like to thank Merv Wingfield for his work as Production Editor. Finally, a warm welcome to Ashton Bishop who is taking over from Merv, and to Barbara Merino who is our new Book Review Editor.
