May 19th 1918.

My dear Mother,

I received the
package of "New
Age Magazines" sent
me and certainly
appreciate them.

Mr. Skipwith wrote
me that he was
sending some,
and I enjoy them
very much.

Enclosed find

a small photograph
taken in "No mans"
land by my instru-
ment sergeant about
a month ago. It
was not taken
for beauty as that
is an impossibility.

It is just a glimpse
of how we look
in our every day
like "over here".

I am getting
along very nicely. I

wish I could see some of
the homefolks. Everything is
very busy over here.

Give my love to all.
Remember I am getting along
very well. Bushels of love from
Your devoted son
