Announcement

Due to the increase in printing and postage costs the Academy has found it necessary to increase the membership dues in 1981 to twenty U.S. dollars ($20.00). It is our hope that we can sustain this amount for at least three years.

Members residing outside the United States are asked to remit payments in U.S. funds drawn on U.S. banks. The collection costs on non-U.S. fund remittances have risen sharply in the last year and we can no longer absorb these charges.

GUIDE FOR SUBMITTING MANUSCRIPTS

The Academy of Accounting Historians invites manuscripts on subjects related to accounting history for The Accounting Historians Journal. Articles should have scholarly merit and present an original contribution to the knowledge in the field. Articles presenting the results of research from primary sources will be given preference. All articles will be reviewed by two or more members of the Editorial Board. The Journal is scheduled to appear each Spring and Fall.

Manuscripts should be in English and of acceptable style and organization for clarity of presentation. Submit three copies double spaced on 8½ x 11 inch paper. The manuscript should not exceed 5,000 to 7,000 words. The title page should contain name of author, affiliation and address for further correspondence. The title, but not the author’s name, should reappear on the first page of the manuscript.

Tables and figures should be numbered, titled and presented in reproducible form. Limited use of original documents etc. can be accommodated in the Journal at modest additional cost to the author by submitting camera-ready copy. Important textual materials may be presented in both the original language and the English translation.

Footnote numbers must be referenced in sequence within the article. The bibliography should contain full reference to sources arranged in alphabetical order by author. Informational footnotes are to be presented at the bottom of the page referenced by letters and should be limited in size and number. Consult a previous issue of the Journal for examples.

Galley proofs will be sent to the author as permitted by scheduling but additions of new material must be strictly limited and excessive alterations will be charged to the author. Ten copies of the Journal on publication will be provided to the author.

An abstract of the article will precede the printed article, and should be submitted with all manuscripts. Abstract should not exceed 100 words.

Reprints may be ordered from the printer. Costs of these are billed directly to the author by the printer. Minimum order 100, prices to be established by printer.
