Requests for hotel accommodations should indicate if the delegate expects to remain in St. Louis for the annual convention of the American Institute of Accountants which will be held at the Jefferson October 16-19.

Many members have already expressed their intention to take advantage of the invitation of the American Institute of Accountants to women accountants to attend their annual meetings. Wartime and postwar problems confronting the profession will be the general theme of the meeting. The annual dinner will be held on Wednesday evening, October 18.
