To: James Meredith  
and all concerned

you speak of true Americans. are you practising what you preach? A true American would not put himself in the place or position that you have.

you have not gained or will you ever gain by what you are doing.

as far as you or anyone trying and aiding you in what you have set out to do you are a disgrace to your race first and to all else second.

any one trying to assist you in what you are doing is only doing it for political gain and the money they are getting out of it.

Why don't you go home instead of forcing yourself where you are not wanted and will never be wanted under such circumstances.

You should ask God to forgive you and I for one ask God to help us maintain our segregation.

Yours truly  
A Believer in equal rights  
for all U.S. Citizens
