Presentations ranged from a skit on Profitability Accounting to talks on electronic data processing and operations research. In the discussions that followed, Partners and Directors discussed integrated programs in which our specialists would collaborate to set up systems adapted to suit each client's needs.

Donald Bevis spoke on audit engagements and participated in the concurrent sessions. He is Senior Partner and National Director for Accounting and Auditing Services as well as for International Services.

Kenneth Mages, National Director of Administration and Office Operations, was a speaker and later conducted one of the concurrent sessions.

Donald Cramer, National Director-Personnel, spoke on staff development and conducted a session on personnel policies.

Roger Crane, National Director, Management Services.

At lunch William Power (management services in the executive office), visited with Ed Wagner from St. Louis and Thomas ("Jeff") Ennis from San Jose.
