thank  
you

if God is leading  
you but if He is not

✓ In your heart, woe be to you - for your mother's  
Bible + mine say that we are "Blessed are the  
peacemakers for they shall be called the children  
of God" you have caused others to use force  
violence, bloodshed! I am asking many people  
here in Va. to pray for you - may Christ instead  
of communism enter your heart today - what would  
Jesus do if he walked in your sandals? Ask him!

3/ If you + your family have lived in the good Southland from where your food + love have come, you must know Jesus. Our minister said Sun eve, that each of us regardless of Color or ambition must stand before our Creator to give account of the deeds done in our body -

I am a mother of 3 grown children, one your age - we put Christ + his loving care first - As a Mississippian, born + raised there, we loved our <sup>most</sup> negro friends - they were some of the best, loving, helpful friends I've known, it too bad, Satan, Communism, and hate are being led by you to destroy Gods love

4/ in our hearts -

my prayers are for God  
to enter your heart now and  
His will be done by you!

Sincerely,  
a friend from Mississippi
