The Academy's research center at Georgia State University has increased its activity during the past year. During the period from August 1988 through August 1989 donations of material have been received as follows:

From Andrew Barr — The Annual Reports of the SEC from 1934 through 1987.

Paul Garner — Approximately 300 items composed of books, monographs, reports, magazines, and a box of Year-books of the AIA.

Andrew Braden — An original, autographed copy of Charles E. Sprague's *The Philosophy of Accounts*.

There will be an attempt to publicize more fully the holdings of the AHRC during the next year.

In March a "Call For Papers" was sent to all members of The Academy in anticipation of holding "The Fourth Charles Waldo Haskins Accounting History Seminar" in Atlanta on December 1-2, 1989.

The AHRC continues to receive the records of the Federation of Schools of Accountancy which are being cataloged.
