Dear Dr. Silver:

Thank you very much for your letter of May 28th, and please forgive my not answering sooner. I was waiting for replies from several other resource persons who had been invited for August 4th and 5th, to see if there was a possibility of shifting your topic to a later date.

As it develops, most of our resource personnel have agreed to come on the date set in our original schedule, so I am afraid that any changes at this point would be rather complicated.

I am indeed sorry about this, since Will Campbell indicated so strongly that you would be able to cover this topic well. I am located in the Atlanta office of NSA and my work with students and human relations means that I travel a great deal in the South. I was at Mississippi State this spring, and shall undoubtedly be returning to your state next year, so I do hope that I shall have a chance to meet you then.

Thank you again for your interest, and I hope that you have a good summer in Columbia and a brief respite from the pressures that I know you must feel in Mississippi.

Sincerely,

Constance Curry
