Copyright Restrictions

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement.

Additions

No further additions are expected to this collection.

Acquisition Information

Transferred to the Modern Political Archives from Government Documents, J.D. Williams Library, May 2011

Processing Information

Collection processed by Political Papers Archivist Leigh McWhite. Finding aid encoded by Kathryn Michaelis, July 2011.

RELATED MATERIALS

Resources at the University of Mississippi

Because the primary collecting focus of the University of Mississippi's Archives and Special Collections is Mississippi, its holdings include many other state documents in its catalogued material and manuscript collections.

Separated Material

While processing this collection, the curator removed numerous publications for cataloging in Special Collections.
