Mr. H. A. Niles,

620 Atlantic Ave., Boston, Mass.

Dear Sir:

An unusual press of business which has kept me a good deal out of the city, has prevented my answering sooner your regarded favor of the 6th inst.

I recall your visit at the Institute with pleasure, and would be glad to offer you application for membership therein.

The Institute is in excellent shape to-day. The more rigid examinations that have prevailed of late have insured a high class of membership. Enclosed herewith please find copy of by-laws and application blank, which latter can be filled up at your convenience.

No doubt arrangements can be made so that you can go before the board of examiners here on some one of your visits to the city. I shall be glad to arrange the matter for you upon your request.

At this writing I know no ~~Certified~~ Accountant of the Institute out of position or desiring a change, but should I hear of anyone that I thought would suit your purpose, I would at a venture communicate with you. I shall be glad to serve you in this or any other way, and hope you will command me at any time.

Very sincerely yours,

*Henry Harney.*
