CHICAGO,

Dec. 15, 1904.

Secretary's Office, 315 Royal Insurance Bldg.

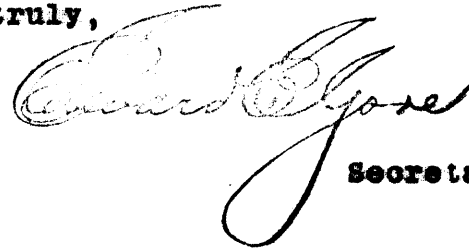

Dear Sir:-

Under separate cover we mail the December issue of THE AUDITOR. The Directors have decided to change the form of this paper with the January issue to regular magazine size, which will increase the cost of mailing to 20. per copy, unless we can get it entered at the Post Office as second class matter. To accomplish this it will be necessary to get a list of bona-fide subscribers and this Society will appreciate your support in filling on one of the enclosed subscription blanks and distributing the others amongst your associates and clients.

The publication of THE AUDITOR has been undertaken by this Society on behalf of the Accountancy profession as a whole and it is our earnest hope that it will speedily be recognized by all the Societies in the United States as their official organ, and not as the organ of one Society alone. This being the case the Directors confidently appeal for your assistance.

Yours truly,

Secretary.
