Dear Mr. Niles:

I sent you a Petition Form several days ago which has been signed by nearly every C. P.A., and I am waiting for yours. Kindly sign the form which was mailed to you endorsing Mr. William Sanders Davies, so that the same may be used at once. The favor will be appreciated.

Faithfully yours,

(Dict.B.)

New York, Sept. 25, 1897.

It having become apparent that the appointment by the Board of Regents of Mr. William Sanders Davies, C. P. A., to the office of State Examiner of Public Accountants as the representative of The National Society of Certified Public Accountants, would not only be a most excellent selection in the interests of accountancy, but also highly popular and gratifying to the members of the profession, you are earnestly requested to sign the enclosed petition and return same to Mr. Arthur W. Smith, President.

Probably no man is more universally esteemed for his gentlemanly and courteous bearing, or better known to possess those qualifications of education, experience, professional attainments and reputation for judgment and fairness than is Mr. Davies, and in view of the importance of maintaining the standard of the examinations held under the Accountants' Law and the care that should be exercised in appointing upon the Board of Examiners not only men of unquestioned ability, but men who are known to enjoy the universal confidence and esteem of the profession at large, and whose appointment would therefore be gratifying to the members of the profession generally, I feel it is unnecessary to advance any further argument in support of Mr. Davies appointment.

Sincerely yours
Frank B. Baker
