ACADEMY RECOGNIZES IMA'S DIAMOND ANNIVERSARY

Richard Vangermeersch and Leo Loiselle

The Institute of Management Accountants celebrated its 75th Anniversary and hosted its annual conference in June, 1994 in New York City. Richard Vangermeersch, a past president of the Academy and long time member of the

Institute, represented the Academy in recognizing the history of service and professional contributions of the Institute to the profession of accountancy. Vangermeersch presented a plaque from the Academy to IMA president, Leo Loiselle, during the annual business meeting. The Society of Management Accountants of Canada, The American Institute of Certified Public Accountants also made presentations.

Academy members will find the recent publication of the IMA history entitled, *Proud of the Past: 75 Years of Achievement 1919-1994*, to be of

interest and value. Grant Meyers and Erwin Koval, who authored this publication, provide much information and insight into the establishment and evolution of the National Association of Cost Accountants, National Association of Accountants, and the Institute of Management Accountants.
