Dr. James W. Silver  
University of Mississippi  
University, Mississippi

Dear Dr. Silver:

Representative Edward Stevens who is presently enrolled at the University loaned me a copy of your recent address ("The Tragedy of Southern Leadership, 1820-1860") to the Fifth Annual Civil War Conference. This is truly a masterpiece and should be "must reading" for all Mississippians, particularly those who dominate the political scene today. Please allow me to congratulate you on a job well done.

If you have additional copies of this document on hand, I would certainly appreciate receiving at least one. If you have as many as two dozen available, I have at least that many friends who would also like to own copies. In the event the document is put in print I would be able to distribute several hundred. As you know, our major job in Mississippi is one of education.

The Mississippi Labor Council's regular convention will be held at the Heidelberg Hotel in Jackson April 23, 24, 25. We would be happy to have you and your associates visit or attend if possible.

Please advise me in regards to these matters.

Sincerely yours,

Claude E. Ramsay  
President
