THE AMERICAN ASSOCIATION OF PUBLIC ACCOUNTANTS.

Committee on Invitations and Attendance.

52 Broadway, New York.  
July 18th, 1908.

My dear Sir:-

The Plans for holding the 1908 Convention of The American Association of Public Accountants have now been substantially completed, and an official PRELIMINARY PROGRAMME has been authorized by the Committee on Arrangements. A copy of this has been mailed direct to your address by Mr. Adam A. Ross, Jr., Chairman of the Committee. The Programme tells of the meetings and entertainments: if it does not tell you all you want to know, at this time, please ask questions.

The occasion is the Twenty-first Anniversary of the establishment in the United States of a professional Organization for the Public Accountant. The principal societies in Great Britain and Canada have accepted our invitation and promised to send delegations. See accompanying letter.

The correspondence so far received from all sections of the United States, and the number of rooms already engaged at the Marlborough-Blenheim Hotel, Atlantic City, indicate that there will be a record attendance.

As Chairman of a special Committee for that purpose, it is my pleasant duty to invite you to make a special effort to attend this Convention, and to use your influence with other members of your Society - whether delegates or not - so to do.

Please remember that special efforts are being made to provide for the pleasure and comfort of the Ladies, who are invited to all the entertainments.

Sincerely yours,

Chairman of Committee on Invitations.

General Committee on Arrangements,

Dear Sir:-

For your information, I take pleasure in advising you briefly as follows:-

Invitations to attend the Twenty-first Annual Convention of The American Association of Public Accountants have been sent in the names of the President and Board of Trustees of the Association to forty foreign societies, comprising the principal organizations of professional accountants in English-speaking Countries other than the United States of America.

Replies have been received from twenty-seven societies, all of them most cordial and complimentary. Definite acceptances have been received from the leading societies, as follows:-

The Institute of Chartered Accountants in England and Wales.

(Delegate - Mr. William Plender, F.C.A., Member of the Council)

The Society of Accountants and Auditors.

(Delegate - Mr. Harry Lloyd Price, F.S.A.A., President of the Society who will be accompanied by his wife and daughter).

Society of Accountants in Edinburgh.

(Delegate - Mr. Richard Brown, C.A., Secretary).

Several of the Canadian Societies have accepted the invitation of this Committee and have promised to send suitable delegations.

The Societies of Accountants in other British Colonies write in most cordial terms of appreciation and good will, but hardly expect to be able to attend.

Faithfully yours,

(Signed) GEO. WILKINSON

Chairman of Committee on Invitations
