National Association of Certified Public Accountant Examiners

OFFICE OF
Secretary.

Columbus, Ohio, Sept. 23, 1910. N A. 40.

Sam'l D. Patterson,
New York, N. Y.

Dear Sir:

I inclose herewith copy of Record of Proceedings, National Association of Certified Public Accountant Examiners, at Denver, Colorado, October 1909.

The conferences of this association which was organized at Atlantic City in 1908, have been held on the same date as the meetings of the American Association of Public Accountants, which meeting this year will be held in New York, Oct. 17, 18, 19, and 20th.

Appended to the proceedings is a list of examiners, past and present, in the various states, which list is as complete as could be made from the returns as made by the various examining boards. It is very desirable that a complete list of all examiners who have served in the various states, together with their business addresses, be obtained and made a part of the record of this association. It is hoped that each state board will report to the secretary the correctness or otherwise of the list as printed.

A meeting of the association is hereby called to meet at New York City, Hotel Astor, on the dates as aforesaid of the meeting of the American Association of Public Accountants.

Trusting that a large representation of the examiners will be present, and that each member will use his influence in bringing the work of the association to the attention of those who are not now members, in order that something tangible may be worked out as to a more definite program, we are

Yours very sincerely,

President.

JHK/CLC.

Secretary.
