Dr James Silver,
The University of Mississippi,
University, Mississippi.

Dear Dr Silver:

We are hoping to use your very interesting article in the next week or two and I wonder whether you could let us know if there has been a decision in the Meredith case. I see that the re-hearing began in January and that the court of appeals seemed to think it might be concluded before the new semester opened on February 6th. If by chance the article is to go in next week we may cable you and hope for a short cabled reply; otherwise a brief air-mail note will be fine.

Yours sincerely

Margaret Cruikshank
