OFFICE OF SECRETARY  
OF COMMITTEE ON GUARANTEE FUND  
52 BROADWAY, NEW YORK.

September 13th, 1910.

My dear Sir:

Enclosed I am sending you a pamphlet in which are reprinted two articles appearing in this month's JOURNAL OF ACCOUNTANCY. These articles deal with the work this Committee has in hand of providing a supplemental income for The American Association of Public Accountants during the next three years, so as to enable the Board of Trustees to secure the services of a competent person to act as EXECUTIVE OFFICER.

The plan is that, during what may be called the "experimental period", say the first two years, this expenditure shall be carried by voluntary subscription. After that it is expected that this expense will be met out of the ordinary revenue of the Association.

In the enclosed pamphlet you will find an alphabetical list of those who have so far contributed \$25. a year, for the next three years, to this SPECIAL GUARANTEE FUND.

Will you kindly read the EDITORIAL enclosed in regard to this movement and allow me to add that my committee feels very confident of the success of this movement. Up to the time of writing to you we have secured over one hundred subscriptions of \$25. each, which goes to show that a sufficient fund can be raised by voluntary subscription to guarantee the commencement of this important work.

To make a success of the movement, we must secure a thoroughly efficient officer, pay him well and provide him with necessary funds for office facilities and traveling expenses. This all takes money -  
WE NEED YOUR HELP.

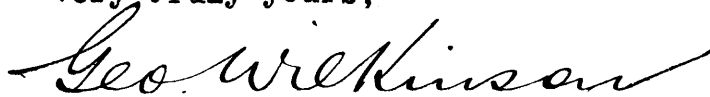

C.E.N.--#2.

Of the one hundred subscribers twenty-eight (28) are members of The New York State Society of Certified Public Accountants,

On behalf of the committee, I will again ask you to contribute to this SPECIAL GUARANTEE FUND and for this purpose enclose a subscription blank,

Trusting I may hear favorably from you by an early mail,

Very truly yours,
