American Association of Public Accountants.

New York, February 5, 1912.

DEAR SIR:

Several weeks ago we mailed letters to all members of this Association requesting their subscription to the Year Book for 1911. Since that date we have received quite a number of subscriptions, but not sufficient as yet to justify us in ordering its publication.

We believe that this book, as those published in other years, will be found of great interest and value to the members of this Association; and inasmuch as it is important for us to secure a sufficient number of subscriptions to reimburse the Association for undertaking its publication, we earnestly request that you will communicate at once with the Secretary, as below, and forward your subscription of \$1.50 to him so that we may feel justified in proceeding with the immediate publication of this year book.

Yours very truly,

EDWARD L. SUFFERN, PRESIDENT,

149 Broadway, New York.

A. P. RICHARDSON, SECRETARY,
55 Liberty Street, New York.
