EIGHTH WORLD CONGRESS OF ACCOUNTING HISTORIANS AN ADVANCED NOTICE

The Eighth World Congress of Accounting Historians will be held at the Universidad Carlos III de Madrid in the year 2000, tentatively on the dates of July 19-21. The Congress is being organized by the Asociacion Espanola de Contabilidad y Administracion de Empresas (AECA) (Spanish Association of Accounting and Business Administration) through its Comision de Historia de la Contabilidad (Commission of Accounting History). The Consejo Superior de Colegios Oficiales de Titulados Mercantiles y Empresariales de Espana (High Council of Spanish Official Institutes of Graduates in Commerce and Business Administration) and the Colegio Oficial de Titulados Mercantiles y Empresariales de Madrid (Official Institute of Graduates in Commerce and Business Administration of Madrid) is participating as co-organizers with the AECA.

The Universidad Carlos III de Madrid is a state university founded in 1989 and is the youngest University in Madrid. In its short history, the University has achieved reputation as a center of research excellence while providing a comprehensive education to its students. The University consists of two campuses: Social Sciences and Polytechnic Studies. The Congress venue will be on the Social Science campus which is located in Getafe, a satellite village located 11 kms (7 miles) from downtown Madrid. The University residence will be

available to Congress participants. Good connections by train and bus are available from Madrid to Getafe, and a special shuttle bus service will be provided for Congress attendees who prefer accommodation in downtown hotels.

An academic event will be held in combination with a plenary session of the Congress at the Universidad de Alcala de Henares. After the session, the formal banquet will be held at the former Hosteria del Estudiante, the old students' tavern. The Universidad de Alcala de Henares was established at the end of the 13th Century by Sancho IV and is the oldest University in Madrid and one of the oldest in Spain. Cardinal Cisneros reorganized the University in 1499 at the time of the Catholic Monarchs, Ferdinand and Isabella, and it assumed the leadership of the Spanish nominalism movements.
