H. A. Niles, Esq.,

New York City.

Dear Mr. Niles:-

This morning I am in receipt of your favor of the 21st instant, covering your personal contribution of \$25. a year for three years, to the Special Guarantee Fund, to supplement the income of the American Association to enable the Board of Trustees to employ a suitable person as Secretary. I thank you for your contribution.

The plan most favorably considered by our committee is that the paid Secretary shall secure opportunities not only for the elected officials, but for the members of different committees and for those best equipped for the service to appear in public to preach the gospel.

personally I believe you are quite right in suggesting that the best results can be expected from members of the profession and I hope that this new departure will be to just that end.

Very sincerely yours,

GW/M.
