Announcement

The Journal of the Canadian Academic Accounting
Association announces the

12th CAR Conference

November 1-2, 1997

Submissions are invited for the 12th annual CAR conference, to be held November 1-2, 1997, in any area of accounting, auditing, or tax research. **The submission deadline is May 1, 1997.** Papers received after that date will be treated as normal submissions to CAR. Selection of papers for the conference will be based on a review undertaken by members of the Editorial Board of *Contemporary Accounting Research*. Discussants for each paper will be selected on their expertise.

Submission of a manuscript to the conference also constitutes a submission to CAR. Therefore conference submissions should follow CAR's editorial guidelines. These require submission in quadruplicate, with a cheque payable to CAR/CAAA in the amount of \$50 for members of the CAAA (\$100 for nonmembers), along with any relevant research materials. While acceptance of a paper for inclusion in the conference is generally followed by publication in CAR, the ultimate disposition of each manuscript depends on the normal review procedures employed by the journal. Authors will be notified of the decision regarding the conference agenda by September 1, 1997. Notwithstanding the decision on the conference, author(s) will be notified of the outcome of the editorial process for publication in CAR in normal course.

Submission should be directed to the CAR office located at 2-32B Business Building, University of Alberta, Edmonton, Alberta T6G 2R6, phone 403-492-7513, fax 403-492-3325. Inquiries may be directed to the editor or editorial assistant.
