Silent Auction a Success

Again this year, the Academy hosted a silent auction at its annual research conference. During the conference in Richmond, December 4-6, 1997, members were able to browse and bid on the old books, mono-

graphs, and periodicals made available by a number of contributors. Jeanette Sanfilippo, chair of the public relations committee, directed the auction and reports that over \$900 was raised for the Academy. The Academy tentatively is planning to host another silent auction at the 1998 research conference in Atlanta on November 12-14.

Information for the Future

Gary Spraakman of York University encourages members of the Academy to consider presenting a paper at the Business History Section of the Administrative Sciences Association of Canada. Accounting papers are acceptable and there is a blind review process that provides detailed written comments. The annual conference is held at a different location in Canada each year at the end of May or the beginning of June. Papers must be submitted by January 15 thus it is too late this year. However it is not too late to begin planning for the 1999 conference. For information on attending the 1998 conference or on the 1999 conference, contact Gary Spraakman at Atkinson College, York University, Toronto, Canada M3J 1P3 or Garys@Yorku.ca.

the Peter L. McMickle collection of historical publications. Dr. McMickle, professor, University of Memphis, is a member of the Academy and served in a number of offices. This collection consists of about 1,600 volumes published prior 1950, including 400 volumes published prior to 1900. Twenty-five books were published prior to 1800; the oldest volume published in 1655.

AHRC has received the complete collection of Jimmy Jones which remain to be cataloged. Mr. Jones was a practitioner and a long-time member of the Academy and supporter of accounting history. This collections of historical materials include approximately 800 books, monographs, and other items mostly dating from 1900 to 1960. Recently, the AHRC received about 50 publications of historical value from Dr. James Don Edwards. Dr. Edwards, Dean, University of Georgia, is a long-time member and has served the Academy in various offices.

The Notebook will provide more details concerning these important sources for accounting history research in future issues. Certainly these contributions will provide members of the Academy an excellent source for accounting history research.
