My dear Jim.

Happy new year to you and all at home. Doesn't seem two years ago since we met. Purpose of this note is to let you know that a very good friend of mine is coming to the States under the same auspices as I did and would be available to do a lecture or two at your place. He is Mr. Frank TOMNEY, M.P. a first class Trade Unionist, loyal and reliable member of the Labour Party. His programme would enable him to be at Oxford between 18th and 21st/22nd March. If you would like to have him, drop me a note as soon as you can, as he leaves for New York on 6th. February. In addition to being a Member of Parliament he is a County Councillor and is a former member of the Watford Town Council. Give our love to your wife, remembe us to our old friends on the Campus, and save some rappie for us to fish next time we are over. How's the fish pond?

All the best. Alfred Robens
