The Academy of Accounting Historians will sponsor a CPE workshop at the Annual Meeting of the AAA on Sunday, August 16, from 8:00 am to 12:00 noon. A panel consisting of Richard Fleischman, John Carroll University, Barbara Merino, University of North Texas, and Vaughan Radcliffe, Case Western Reserve University, will provide an introduction to accounting history as a discipline and discuss the research process from inception of an idea through publishing of the manuscript. Research approaches that will be discussed include archival research, critical theory, and new history. Several journal editors or representatives will discuss types of analyses appropriate to their journals. The session is designed for all who have an interest in accounting history and desire to better understand accounting history, to contextualize studies in their own research areas of interest, or to add historical work to their research portfolios.
