Mr. H. A. Niles,  
65 Wall Street,  
New York City.

My dear Mr. Niles-

Our mutual friend, Franklin Allen, states that he has not heard from you with respect to the American Association Banquet on the 17th inst. at Hotel Astor, and the only explanation I could offer was "plenty of business and making money."

This affair will mark the reunion of all the old and new members of the profession, some of whom are not personally known to either yourself or myself, and it will afford an opportunity of becoming acquainted.

I just received my tickets and they are works of art. Friend Allen is doing up things in great style.

I presume, if you have not already done so, that you are sending to-day for your tickets, and I hope to meet you around the "Festive Board."

With kind personal regards, I am,

Faithfully yours,

*Frank Breaker*
