Dear Jim,
The stationery on which
this note is written will acquaint
you with Mercer's answer to
the John Birch Society.

If you have been looking
for an anti-communist organ-
ization that can tell a Communist
from a nanny goat on a
clear day, we're your outfit.

The Dave Campbell listed among
the "Barely Draggin'" is none other
than Will D. Campbell, who shares
with the football team the honor of
putting Ole Miss in national headlines.
(He is the only member travelling incognito
— I wouldn't trust this crowd either
if I weren't here to watch them.)

Patriotically,
Willis B. Glover
