History in print [2000, vol. 23, no. 1]

Academy of Accounting Historians
An increasing amount of research in accounting history is being published throughout the world in various books and periodicals other than those published by the Academy. The editors of The Notebook provide this section to identify accounting history research that may be of interest and use by members of the Academy. We encourage you, the readers of The Notebook, to advise us of many such publications in an effort to provide the broadest coverage and recognition of accounting history research.

**Accounting History, Vol. 4, No. 1 (1999), (Selected Items):**

Baldwin, Trevor J. and Robert H. Berry. “The measurement of nineteenth century accounting error: cases from the British coal industry 1864-1900.”

Rutherford, Brian A. “Creative compliance and behavior in response to mandatory changes in accounting policy: three cases from pre-Dearing Britain.”

Williams, Robert B. “Lifting stones: a place for microhistory in accounting research.”

**Accounting History, Vol. 4, No. 2 (1999), (Selected Items):**

Jones, Stewart. “UK companies legislation: accounting publicity and ‘mercantile caution,’ a response to Maltby.” pp. 73-86.

Maltby, Josephine. “Accounting does not ‘evolve’: a reply to Jones.” pp. 87-100.

**Accounting, Business and Financial History, Vol. 9, No. 3 (1999), (Selected Items):**

Ballas, Apostolos A. “Privatizing the statutory auditing services in Greece.” pp. 349-374.

**Light, Larry. “Goodwill accounting: Go Refigure.” Business Week, No. 3644, 1999, p. 188**
