Dear Linn -

First of all Many thanks for "Mississippi in the Confederacy" and congratulations to you. I look forward to an opportunity for some reading this week end.

Early next month I will be going to New York with Victoria and will be there about three weeks. Victoria will have an operation to cure some difficulty and suffering she has undergone for quite a time. The doctor we visited in New York last week assured me it was not too serious and there was nothing malignant.

2.

I will work while there and also get some long deferred dental work done.

We were certainly very pleased and most proud of Vicki's grades. She is certainly applying herself and could not do as well if she were not happy. We certainly have a lot to thank you and Dutch for and I hope I can someday make up to you both ^{the} many things you have done for us.

Please remember me to Dutch & thanks again

Best wishes
Sincerely
Bill
