David Tickel

Camaro Kids

Lee would tow Geddy's black
'68 Camaro to the racetrack
Lee was going to make—

This was before video—a movie
w/ his dad's
Super 8 movie camera. Geddy

The Camaro kid, the star
Of the film. Sound: an
Inexpensive cassette recorder

What did Tracey see in Geddy?
Geddy was ugly, a pain
In the balls. Geddy told Lee he

Could fuck her
Tracey liked punk rockers,
And Lee looked like

One. F-u-c-k: Lee
Didn't like the word, and he
Didn't wanna share Tracey

Tracey's dad had
His own business,
Like Geddy's dad

Tracey wasn't in the film
The Camaro kid
Was never completed
