Dear Doctor Silver,

Thank you very much indeed for the most interesting article and for your letter, which, as always, is even more interesting than the article, but you make a whole new point which we have not seen anywhere else and the whole thing has a real feeling of somebody who is suffering, as I know you must be. When the article appears, which will be in two or three weeks' time, we will certainly see that you get the reprints for which you ask. I hope that next year may be happier for you than this one has been.

Yours sincerely,

Nancy Balfour
