Dear Jim,

Thanks for your note. I enclose
some local newspapers, just to
indicate the local atmosphere,
in which you may be interested.
It would appear things have quieted
down now and we will hope
the bad is all over; that we can
move on to pleasanter things.
(The Life coverage was selective) has
not even what you wrote here
but, it is not important, glad
to know you are working on
an "important book"; will await
it with pleasure.

I would be at Miami Beach

as our travel budget would exceed
it — or rather I refuse to put
150⁰⁰ out of my own pocket to
attend. Try to get it at Memphis
or Nashville or Jackson for next
year. I'll be at Omaha in May.
Also the S.W. Social Science
at San Antonio at Easter.

Berthony and Helton just got
back from meeting of Western
Historians at Denver.

I'll keep in mind what you
said about salary. Salaries
are better everywhere and I
know you've had and will have
plenty of better offers. Your mis-
sionary days are over in the
foreign field and you can come
home on permanent furlough. It
is nothing better than having you here.
My best to the fraternity and the
good wife. Most especially yes to each
