Finally, a personal project of mine, not only for the Academy but also for my own research, is the attempt to tie critical scholars, both those who do history and those who inform their contemporary research with recourse to history, to our organization. The World Congress will feature Tony Tinker as a plenary speaker, and Barbara Merino will conduct workshops on critical history at both St. Louis and Oxford.

I am excited about the months ahead

and hope that you will participate actively in making the year a success for the Academy and for accounting history. If you have any fresh ideas as to how to move the organization forward or if you have concerns about how the Academy operates, please feel free to contact me.

Best wishes to all,  
Dick Fleischman,  
President,  
Academy of Accounting Historians
